

Vice President Status Report

1. Obtain pricing for indoor Futsal and practice program.

Contacted KICKS (RSC) and Intrasport with the following parameters:

- ALITHSA to reserve eight (8) weeks, beginning week of January 2, 2008 through week of March 14, 2008.
- One night a week (same night each week)
- Three hours - 5:30pm - 8:30pm
- Two fields (not one field)

6/5/07 - KICKS (Larry Ward) called me in response to my email

1. KICKS (RSC) primetime (January - March)
2. Would have to 'eliminate' a league to accommodate us
3. 'Estimated' \$14K (approximately \$250/hour)
4. May be able to 'knockdown' price to \$150/hour (equates to \$14,400 for that timeframe)
5. 'Good deal' for renting two fields

If we have around 150 children, price would be approximately \$96 per child (not including cost of ALITHSA trainers). Larry would like to have an answer within next six weeks as he is in the midst of preparing the fall/winter marketing and creating brochures. He also mentioned there are other clubs interested in the same.

Gerry's response:

3 hours times \$150.00 per hour is \$450.00 times 8 equals \$3600.00 per field, with a total expenditure for both fields being \$7200.00. In the winter (January through March) for one field we paid \$150.00 per hour. I would not expect to buy more (i.e. two fields) and pay 100% more for each.

Our target is to rent the space for two fields, for the times and dates you indicated, at \$150.00 per hour. If our costs go higher than that it may no longer be feasible to pursue this particular option.

6/13/07 - Intrasport (Frank Sparta) responded to my email

1. Only has one field, not two. However, can have two different nights.

Gerry's response:

We could make two nights work for the right price. Let's see how much it costs.

Annette will contact Frank.
